Physical Description
BOB MCCLURE
Summary
Old School throwback windup and look/ Rock and roll shoulders and back archer, via Warren Spahn/ Pounds late-running FB and hard 12-6 CB down in the zone with regularity/ He's a little prick!!!! tough, gritty, no fear/ CB is hard swing-and-miss pitch, FB runs 90-93/ Short arm stroke in back adds to FB—sneaky, get on ya/ Maybe not a closer, but has important viable role in back end.
